About Me:

I am a committed team player with a strong work ethic who gives maximum effort on and off the field. I pride myself on being a supportive and cheerful teammate, bringing positive energy to any team I've been on. I am also a conscientious student looking forward to embarking on my next journey in college, both on the field and in the classroom. When I'm not on the field, I love being active outside with friends and family, going to the beach, and drawing/painting.
