**About Me:** I am a dedicated and hard-working person on and off the field. I started playing softball at 8 years old and fell in love with it right away. Softball has taught me how to have self-discipline in setting expectations/goals, mental/emotional strength, and confidence. It has also taught me how to be there for my teammates and to enjoy the small things with them. When I'm not playing softball I like to draw in my sketchbook, hangout with friends, and watch Jersey Shore or Horror movies. My favorite meal is a steak dinner from the Beverly Depot restaurant. A vacation I will never forget was going to the Women's College World Series with my mom and grandfather.
